STANDING RULES. The following are the Standing Rules of the Columbia County Board of Supervisors.

RULE 1. MEETINGS.

(1) **ANNUAL MEETINGS.** The Board shall meet on the third Tuesday of each April to organize and transact business, and shall hold an annual meeting on the Tuesday after the second Monday of November to address the regular monthly agenda and conduct the annual budget hearing.

At the organizational meeting held in April on even numbered years, the County Board Chair, its Vice-Chair, and two Executive Committee members shall be elected as prescribed under Board election procedures by a majority vote of the members present. The

Standing Rules for the current session of the Board shall be adopted by a majority vote. Committee appointments shall be made by the County Board Chair.

(2) **BOARD MEETINGS.** The Board shall hold its meetings on the third Wednesday of the month, except when Wisconsin statutes establish the meeting date. In the event the Chair is unavailable to preside over a meeting of the Board, the present Vice-Chair shall preside. In the event the present Vice-Chair is unavailable, the most immediate past Board chair shall preside.

(3) **MEETING HOUR.** The hour for the morning meeting of the Board shall be 9:45 o'clock A.M., and afternoon sessions following recess or adjournment shall meet at 1:30 o'clock P.M., unless otherwise ordered. During the months of May, June, July, August, September, and October, the Board shall commence its meeting at 7:00 P.M. The Clerk shall note the time of calling of the meetings in the minutes.

(4) **MEMBER ROLL CALL.** Whenever the Board convenes or reconvenes, the Clerk shall make a roll call of the members to establish a quorum. A roll call shall not be required if the recess is 15 minutes or less. All roll call attendance records of each Supervisor shall be recorded in the minutes and printed with the annual proceedings of the Board. Any Supervisor who is not present for roll calls shall at the first opportune time, in order to be recorded present, make his/her presence known to the Clerk. In the event any member is going to be absent for all or a portion of a session, it shall be necessary to inform the Chair.

(5) **ORDER OF BUSINESS.** The regular order of business, which is subject to the discretion of the Chair, shall be as follows:

- (a) Roll call.
- (b) Pledge of Allegiance.
- (c) Approval of the printed journal unless otherwise ordered.
- (d) Approve agenda and any changes thereto in compliance with open meeting law requirements under

Sections 19.81 through 19.98, Wisconsin Statutes.

- (e) Claims and petitions.
- (f) Communications/Public Input.
- (g) Appointments.
- (h) Consideration of reports of committees.
- (i) Union Contract ratification.
- (j) Resolutions to be considered and resolved.
- (k) Consideration of proposed ordinances.
- (l) Consideration of miscellaneous business on the table.
- (m) On the day set for the adoption of the budget, the budget shall be considered immediately following "Appointments" during the morning session.
- (n) On the last day of the current session, a reading and correcting of the journal of the day shall be done immediately prior to the final adjournment.

RULE 2. ADDRESSING THE COUNTY BOARD

(1) Every member, prior to speaking, shall address himself/herself to the Chair.

(2) When two or more members wish to be recognized, the Chair shall designate who shall speak first.

(3) No member shall speak more than twice on the same subject or question without approval of the Chair.

(4) A member called to order by the Chair, shall immediately relinquish the floor. The Board, if appealed to, shall decide the case. If there is no appeal, the decision of the Chair shall be submitted.

(5) Any person who is not a member of the Board who desires to address the Board on an agenda item, must first receive the approval of a Board member. The member will then request that the Chair recognize that he/she is relinquishing time to the non-member to speak. The member thereafter forfeits one of his/her rights to further address the subject. The non-member shall be governed by all other relevant rules of the Board and shall address only the subject before the Board.

RULE 3. MOTIONS.

- (1) All motions must be presented by a Board member.
- (2) No motion shall be debated by the Board unless it is seconded; it shall be restated by the Chair before debate. Lengthy or complicated motions must be presented to the Clerk in writing after receiving a second.
- (3) After a motion is restated by the Chair, it shall be deemed to be in possession of the Board. All motions, resolutions, and amendments shall be entered at large upon the journal.
- (4) When a motion is being debated, no other motion shall be made except to lay on the table, to adjourn for the previous question(s), to limit or extend limits of debate, to postpone to a day certain, to refer, to amend, and to postpone indefinitely; these several motions shall have precedence in the order in which they are stated above.
- (5) The motion to adjourn shall always be in order; that and the motion to lay on the table shall be decided without debate.
- (6) If the question under debate contains several points, any member may move to have it divided.

RULE 4. REPORTS.

- (1) A committee report shall be a statement of the committee's position with respect to a particular issue or issues and shall be included with the mailing of the monthly Board agenda prior to the meeting. Reports may be discussed or read and will be accepted into the record and placed on file if there are no objections.
- (2) Final majority reports from ad hoc committees shall be written and shall be recorded in the Board Minutes by the Clerk. A minority report may be filed in a like manner.

RULE 5. RESOLUTIONS AND ORDINANCE

- (1) The Chair, after consultation with the Corporation Counsel, will determine when contractual arrangements must be approved by the Board.
- (2) Salary increases for all non-union county employees shall be presented by the Human Resources Committee and shall be approved by two-thirds vote of the members present.

- (3) The resolution to adopt the budget shall require a two-thirds vote of the members present at the meeting.
- (4) Resolutions to make transfers from the General Fund or the Contingency Fund shall be referred to the Finance Committee for its recommendation back to the Board, and shall require a two-thirds vote of the entire membership of the Board to obtain passage, pursuant to Sec. 65.90 (5)(a), Wis. Stats.
- (5) A resolution, petition, or motion submitted by a member or members not constituting a committee shall be read and referred to the appropriate committee by the Chair. Resolutions, petitions, or motions submitted by non-members shall be presented through a member for referral to an appropriate committee. If not returned for Board consideration, the committee shall present an oral report of its conclusions.
- (6) Resolutions and/or ordinances shall:
 - (a) be submitted by Board members or committees only.
 - (b) indicate at the top a brief synopsis and the name of the committee introducing the document to the Board.
 - (c) be numbered on each line and page of the document.
 - (d) contain a fiscal note explaining the budgetary effect of the proposed action, if applicable.
 - (e) be submitted in writing to the Clerk by 12:00 noon on the Thursday before the Board meeting date, unless the Clerk requests an earlier delivery date or time, and to the Corporation Counsel for review at the same time as distributed to members.
 - (f) be considered, if submitted after the above deadline, only if deemed urgent by the Chair. Any resolution that is not included in the agenda may be placed on the agenda if the media and public have been noticed of such addition more than 24 hours in advance if it is not an emergency or more than two (2) hours in advance if it is an

emergency. Any resolution added in the above manner may be considered by the Board unless objected to, in which case a two-thirds majority of members present will be required for consideration.

- (7) Resolutions submitted to the Board for adoption shall be signed by a majority of the members of the submitting committee and ordinances shall be signed by the Chair and Clerk after adoption.
 - (8) Resolutions and ordinances shall be taken up in the order in which they are presented, unless otherwise ordered by the Chair. If there is no objection from the Board members present, the reading of any proposed resolution or ordinance may be waived by the Chair and be referred to by title only provided that all members have received a written copy of said resolution or ordinance at least 24 hours prior to the Board meeting. An ordinance or resolution may be amended at any time prior to its being adopted by the Board.
 - (9) Amendments offered shall be germane to the primary subject of the resolution or ordinance.
 - (10) Resolutions and ordinances may be passed or adopted at a single meeting of the Board. Upon the reading of a resolution or an ordinance, one of two motions must be made by a member of the Board of Supervisors:
 - (a) to approve; or
 - (b) to postpone to a date certain.
 - (11) Upon the passage of an ordinance, motion, or resolution affecting any County department, officer, or official, or any town, city or village, the Clerk shall immediately thereafter transmit a copy of the same to the County department, officer or official affected, and for the local municipalities shall transmit a copy of the same to the clerk of the affected municipality.
- RULE 6. RECORDING MOTIONS AND SECONDS.**
In all cases where an ordinance, resolution, or motion shall be entered on the journal of the Board, the name of the member moving the

same, and the name of the member seconding shall be entered on the journal.

RULE 7. VOTING AND ELECTIONS.

(1) **COUNTY BOARD VOTING.**

- (a) Voting by the County Board shall be by voice vote or roll call vote, if requested.
- (b) In the event of a roll call vote, the Chair's vote shall be recorded last.

(2) **COMMITTEE VOTING.**

- (a) The County Board Chair or Vice Chair shall vote when his/her presence is necessary at a meeting to create a quorum of the committee.
- (b) In the event of a roll call vote, the Committee Chair's vote shall be recorded last.

(3) **ROLL CALL VOTES.** A vote on any question shall be taken by the ayes and nays when called for by a member of the Board. Roll call votes shall be taken in alphabetical order except that each successive roll call vote shall commence with the member voting second on the previous roll call vote.

(4) **ELECTIONS.** Where the vote is for election to an office, the vote shall be by ballot.

- (a) If three or more candidates are nominated, balloting shall occur until such time as one candidate receives the majority of the votes of the members present. Nominations do not require a second. If no candidate receives a majority vote when the ballots are counted, the candidate with the lowest vote count shall be eliminated. This procedure shall be repeated until a majority vote is obtained.
- (b) The two elected members of the Executive Committee shall be selected by ballot from a slate of nominees proposed by nominations from the floor. The election shall be in accordance with the procedures established at Rule 7 (4)(a) except that each supervisor shall vote for two members on each ballot, with the

election ending when two nominees receive a majority of the votes.

- (c) **County Veteran's Service Officer Election:** The Board shall elect by a majority vote a County Veteran's Service Officer who shall be a Wisconsin resident who served under honorable conditions in the Armed Forces of the United States as provided by Chapter 45 of the Wisconsin Statutes. The County Veteran's Service Officer shall serve until the first Monday in January of the second year-subsequent to the year of his or her election, and if re-elected, shall continue to serve unless removed by the Board for cause by two-thirds vote of the Board.
- (d) **County Highway Commissioner Election:** The Board shall elect a County Highway Commissioner by a majority vote. Upon his/her first election, the County Highway Commissioner shall serve until the first Monday in January of the second year succeeding the year of the election; and if re-elected, shall continue to serve unless removed for cause by two-thirds vote of the Board.

RULE 8. RECONSIDERATION.

A motion for reconsideration may be made by a member who voted on the side prevailing on the vote on such matter, provided the motion for reconsideration is made on the same day. Thereafter, the same subject may be placed on the agenda for consideration only with the vote of two-thirds of the entire membership. In the event of a tie vote, either side can ask for reconsideration.

RULE 9. DEPARTMENT ANNUAL REPORTS.

County officers and department heads shall be introduced and shall be available for questions and comments at the direction of the Chair during the Board meeting at which his/her written annual report is taken under consideration.

RULE 10. STATE AND NATIONAL CONVENTIONS OR CONFERENCES.

Board members who attend state and national conventions or conferences must obtain approval in advance from the Board Chair prior to attendance. If prior approval is not received, no expense reimbursement will be made. Members of the Board who attend conventions or conferences shall make reports to the Board.

RULE 11. SUSPENSION OR AMENDMENT OF RULES.

No rule of the Board shall be suspended, altered, or amended without the concurrence of two-thirds of the members present.

RULE 12. RULES COMMISSIONS, ROBERT'S RULES.

(5) The Board Chair and Clerk shall sign all contracts approved by a resolution of the Board.

(6) The Chair shall assign topics and issues which arise that are not clearly defined in the Standing Rules as being the responsibility of a particular standing committee as he/she deems appropriate.

**BASIC PRINCIPLES OF
PARLIAMENTARY PROCEDURE
(in plain English)**

(1) Except in the case of mayors, the chair or president is a member of the Board and votes on issues. The chair may participate in discussion of issues as a member of the group. However, provision should be made to maintain the chair's impartiality in other matters, such as ruling on procedural issues.

(2) Members have a basic right to give and receive information so that they can make informed decisions. This principle guides considerations regarding debate (including closing off debate). It relates to asking questions of each other, and of employees and citizens speaking to the body. Only two-thirds (2/3) of the body has the right to close off discussion. A single member may not do so by saying, "I call the question". That statement is only a motion.

(3) Bodies act through motions. Motions must be complete in themselves. After seconding and being stated by the Chair, a motion becomes the property of the Board and the member who made the motion may not withdraw it without consent.

(4) Only one matter at a time may claim the attention of the Board.

Predictable matters are placed on the agenda.

(5) Rules of precedence are established to handle situations in which unpredictable (usually arising spontaneously) matters compete for attention. The rules of precedence are summarized in tables attached.

(6) When a member believes that these Standing Rules are being violated, he/she can make a point of order, thereby calling upon the Chair for an immediate ruling and enforcement of the Standing Rules. A point of order shall take precedence over any pending question.
