GRANT COUNTY INVITES YOU FOR THE PERFECT VACATION.....
ANYTIME!

Historic sites and communities. The wide and scenic Lower Wisconsin River. The mighty Upper Mississippi River. “The land that glaciers forgot” with high plateaus, deep creek valleys and scenic byways. Rural Americana. These special places and qualities are Grant County—the start of adventure, discovery and escape—the start of your Wisconsin visit.

Grant County is a sportsmen’s paradise, noted for its hunting and cold-water trout fishing streams. Recreational opportunities are endless. Besides hunting, there are campgrounds, hiking and biking trails, boat launching facilities, horseback riding, parks, snowmobiling and water sports of all kinds. Stop in our communities and see homes and buildings from their original settlements that include over 50 national historical registered buildings, sites and structures in more than 20 communities throughout Grant County.

For a free Travel Planner which includes a calendar of events, listing of accommodations, or someone to talk to about your visit, write the Grant County Tourism Council at P.O. Box 31, Lancaster, WI 53813 or call 1-866-472-6894 or 608-723-2125, or visit their website at www.grantcountyorg/visitor.

GRANT COUNTY

Grant County was formed in 1836, the same year Wisconsin became a territory. It is the 10th largest county in the state with an area of 1,169 square miles. The population, according to the 2000 census, as adjusted is 49,597. It is located in the unglaciated region.

The County has 52 voting municipalities. It is governed by a County Board of Supervisors. There are 17 Supervisors elected from 17 districts on a population basis.

Grant County received its name in 1810 from a white Indian trader named Grant, who visited the area regularly. Lead strikes attracted the first settlers as early as 1825. When mining began to decline, the settlers discovered there were wealth in the rich virgin soil and turned to farming. It is still the chief source of income. A recent state survey of Grant County credits it with “beginning in a small way to develop an industrial base and to turn to its truly beautiful scenery to develop recreational facilities.”

Monuments in the courtyard include the Soldier’s Monument – one of the oldest memorials in the nation to the Civil War dead. It was built by public and private funds and dedicated July 4, 1867. The Fountain on the west side of the courtyard, was purchased by the Ladies of the G.A.R. and given to the county in 1906. The bronze monument of Nelson Dewey on the east side of the courtyard, was given by the state as a tribute of Wisconsin’s first governor. Dewey was also the first Register of Deeds for Grant County. He died in Cassville and is buried in Westwood Cemetery, next to the Episcopal Church in Lancaster. His grave is marked by an official State marker dedicated October 1, 1961.

Lancaster, the county seat, is the home of the courthouse which was built in 1902 and in 1999 the Courthouse Annex was built. The Courthouse is still among the finest in the state. The Highway Department is located at the north edge of the city limits in a building completed in 1939. The Sheriff’s Department is located across the street in the Law Enforcement Center which contains offices and jail. Orchard Manor, the county nursing home three miles southeast of Lancaster, was built in 1993. The Grant County Fairgrounds was acquired in 1959. The annual Grant County Fair is a county enterprise. The Grant County Agricultural and Youth Building was completed in 1964 and the Extension Office is also located in that building on the fairgrounds. The Land Conservation Department moved to the south edge of Lancaster in 1993.

The county has two state parks within its borders. Wyalusing and Nelson Dewey State Park and Farm Museum (Stonefield) at Cassville, which attract thousand of visitors annually.

The Southwest Wisconsin Technical College, located in Fennimore, was established in 1967.

Platteville, with a population of over 10,000 is the largest city in the county. The University of Wisconsin-Platteville is the oldest state college in Wisconsin.

Boscobel, where the Gideon Society was founded, is the home of the Boscobel State Nursery, a growing project with a large seasonal staff.

This capsule history was prepared by the Grant County Historical Society.
